

IUOE Local 877 Training Program

609#3 Neponset Street Canton, MA 02021

Pumps & Motors/Air Filtration (IAQ)

We are offering a two-part hands-on seminar. An instructor from Emerson-Swan will provide training on Pumps and Motors along with a demonstration on how to tear down and re-assemble a pump. A discussion will be held on different seal configurations, types of pumps and tips on getting the job done properly.

The second class will focus on indoor air quality. Filter Sales of New England will discuss regulations surrounding today's medical facilities. Instructors will review different types of filters used during the Covid-19 pandemic and provide each student with the opportunity to participate in a hands-on guided installation.

Class Date: Wednesday, May 19th 2021

Time: 8:00AM – 2:30PM
